

Media consolidation
can be a threat to
democracy when
corporations like
Sinclair
Broadcasting decide
to force their
stations to air
things. An
anti-Kerry
documentary days
before the election
is a clear example
of such a danger.

Unfortunately,
Sinclair's actions
show why we need to
strengthen media
ownership rules,
why the license
renewal process
needs to involve a
process that ensures
that corporations
controlling large
segments of the
media act with
integrity.

Thank you.
